If you need to work on the move, or just want to relax and watch the world go by, move up to First Class to enjoy larger, reclining seats, more table space and a calm environment. On some routes we serve a wide range of complimentary food and drink at your seat, including breakfast items, with the menu varied by time of day.

Travelling First Class needn't be expensive – we offer great value fares on many of our services when you book in advance. At weekends you can upgrade on board from as little as £10 one-way, so why not treat yourself?

### Catering

We want to help you have a relaxing, enjoyable journey and on many of our trains we offer a wide range of refreshments for you to buy on board.

During 2009 we will gradually be introducing a service of drinks and light refreshments served at your seat on many of our trains, so there's no need to leave your seat to get something to eat or drink. Visit [crosscountrytrains.co.uk](http://crosscountrytrains.co.uk) for details of our menu.

Please note that catering facilities are provided on selected routes only and are subject to availability.

## Luggage

We have dedicated luggage space on all our trains. In line with the National Rail Conditions of Carriage, you are strongly advised to:

- Not bring more luggage than you can comfortably carry yourself
- Only take a maximum of three items of luggage onto the train, consisting of
  - o Two larger items such as a suitcase or rucksack (dimensions not exceeding 90 x 70 x 30cm or weighing more than 50kg)
  - o One smaller item such as a briefcase
- Use dedicated luggage storage areas and shelving for large items and store small items in overhead racks and under seats, making sure doorways, aisles and areas dedicated for wheelchairs are kept clear
- Keep your luggage with you at all times when at stations to avoid unnecessary security alerts and potential delays to services

## Seat reservations

Reserve a seat free of charge when you buy your ticket. You can make your reservation up to three hours before the train leaves its first station. Buy in advance from **crosscountrytrains.co.uk** to have your tickets and seat reservations delivered to your door (please allow five working days for delivery), ready to collect at the station or you can print your tickets and reservations at home for CrossCountry services.

On CrossCountry services, you can choose the seat you want to reserve from a plan of the train layout when you book in advance at **crosscountrytrains.co.uk**. So if you want a window seat at the front of the Quiet Carriage, that's what you'll get.

## Bikes

Bikes can be taken on most trains, but you need to make a reservation in advance at the same time you buy your ticket. When you arrive at the station, ask a member of staff where you should wait so that you can board the train easily. You can reserve a space for your bike and get more details of our cycling policy by calling **0844 811 0124**.

## Every second counts

Please make sure you get to the platform in good time. So that the train can depart promptly, the doors will be closed 30 seconds before it starts to leave the station.

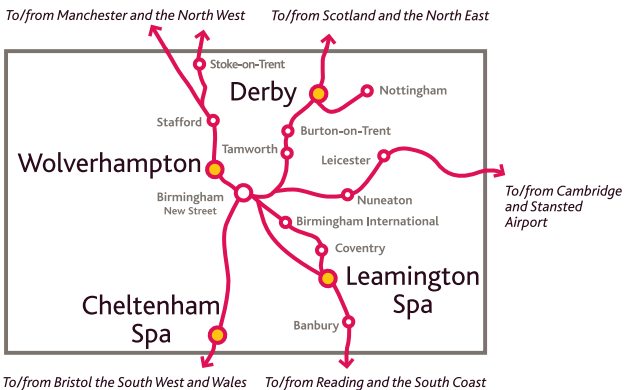

# Connections

Our staff can provide a wide range of information specific to your individual journey. Should you have any queries do not hesitate to contact them on their way through the train.

## All change...

Many journeys with CrossCountry include a change at Birmingham New Street station and we understand this can, on occasions, be a difficult place to transfer between trains, especially if you're travelling with children, cycles or heavy luggage.

While for some journeys changing trains at Birmingham New Street is unavoidable, for others there are alternatives where you will find it easier to change between CrossCountry services if there isn't a direct train. These are Wolverhampton, Cheltenham Spa, Derby and Leamington Spa. In some cases you will be able to change trains without having to change platforms, making your journey even smoother.

- CrossCountry route
- Change at one of these stations to avoid changing at Birmingham New Street

We recommend these locations to change trains not just because it is more convenient for you, but also because as large stations, they offer the facilities you tell us are important including waiting rooms, toilets and somewhere to obtain refreshments. There are staff at Wolverhampton, Cheltenham Spa, Derby and Leamington Spa ready to help you find your connecting train and provide you with journey information.

**The following table shows our recommended location for you to change for the CrossCountry journeys indicated when a direct train isn't available.**

Travelling from	Travelling to	If there is no direct train when you want to travel*, you may find it easier to change at
Manchester and the North West	<ul style="list-style-type: none"> <li>● Reading and the South Coast</li> <li>● Bristol and the South West</li> </ul>	Wolverhampton

**\* Please note that direct trains may be available at certain times of day**

For example, if you're travelling from Newcastle to Cardiff Central, and don't want to change at Birmingham New Street, you can change at Derby instead.

Please note that if you have booked journey assistance through our JourneyCare service, you are advised to travel as indicated on your schedule and tickets.
